ELIS SEIS - Chap 1+2 (DRAFT3) (5Jan15).docx

Hi Mel, Lynne, Stephen:

I will send a detailed schedule Monday morning early to use as an agenda for our catchup call.

The contractor had a delay with submission of Chapters 1 &2 (they were due to us before Christmas).

Mel will review the chapters and then we will forward to R2 folks. I will include additional folks that need to look at the chapters in the updated schedule.

Ex. 5 - Deliberative Process

Mel, there are highlighted sections (that I highlighted) that may be removed, outstanding information from the Corps that we are still waiting on ...

Thanks, Jeannie

Monday's Agenda:

LIS DMMP and prep for LIS DMMP SC meeting

Schedule for review of draft presentation on dredging volume's (Jeannie's presentation)

ELIS SEIS update on deliverables, schedule, next steps.
